

with South Dakota Arborists Association

# 2017 First Aid and Aerial Rescue Workshop

Thursday, May 11, 2017

9 a.m. – 3 p.m. CT

The Bunker, Jamestown, ND

## Workshop Topics (CEUs available)

- **Basic first aid for arborists**, including the most common medical conditions encountered during tree work and how co-workers should respond
- **First aid kits**, including what is required to be carried by OSHA and what climbers and aerial lift operators may want to consider carrying into a tree with them
- **Different types of aerial rescues**, including those that require an immediate descent and those that require the injured worker to be stabilized before the descent
- **How tree crews can and should work with emergency medical services** to facilitate effective rescues

Workshop Presenter: Dr. John Ball, Professor, South Dakota State University

## Workshop Fee (lunch included, registration non-refundable)

- NDUCEFA/SDAA Members: \$40 per person
- Nonmembers: \$60 per person
