

**SOUTH DAKOTA ARBORISTS ASSOCIATION
CODE OF ETHICS FOR
MEMBERS AND CERTIFIED ARBORISTS**

South Dakota Arborists Association Members and SD Certified Arborists will:

1. Strive for continuous self-development by increasing their qualifications and technical proficiency by staying abreast of technological and scientific developments affecting the profession.
2. Not misuse or omit material facts in promoting technical information, products or services if the effect would be to mislead or misrepresent.
3. Hold paramount the safety and health of all people and endeavor to protect property and the environment in the performance of professional responsibilities.
4. Subscribe to fair and honest business practices in dealing with clients, suppliers, employees and other professionals.
5. Support the improvement of professional services and products through encouraging research and development.
6. Observe the standards and promote adherence to the ethics embodied in this Code.

I hereby subscribe to the Code of Ethics for
SD Arborist Members and SD Certified Arborists
set Forth by the South Dakota Arborists Association
And promise to uphold them to the best of my
ability.
